prescription record filed with the Texas State Board of Pharmacy
under Section 481.075, Health and Safety Code; or

practitioner's instructions to a pharmacist in an emergency.

(47) "Official prescription form" means a
prescription form that is used for a Schedule II controlled
substance under Section 481.0755 and contains the prescription

1 information required by Section 481.0755(e) [~~481.075~~].

2 SECTION 3. Section 481.003(a), Health and Safety Code, is
3 amended to read as follows:

4 (a) The director may adopt rules to administer and enforce
5 this chapter, other than Sections [~~481.073,~~] 481.074, 481.075,
6 481.0755, 481.0756, 481.076, 481.0761, 481.0762, 481.0763,
7 481.07635, 481.07636, 481.0764, 481.0765, and 481.0766. The board
8 may adopt rules to administer Sections [~~481.073,~~] 481.074, 481.075,
9 481.0755, 481.0756, 481.076, 481.0761, 481.0762, 481.0763,
10 481.07635, 481.07636, 481.0764, 481.0765, and 481.0766.

11 SECTION 4. Section 481.074, Health and Safety Code, is
12 amended by amending Subsections (b), (c), (e), (f), (g), (h), (k),
13 and (q) and adding Subsections (b-1) and (b-2) to read as follows:

14 (b) Except in an emergency as defined by board rule under
15 Subsection (b-1) [~~of the board~~] or as otherwise provided by
16 [~~Subsection (e) or~~] Section 481.075(j) or (m) or 481.0755, a person
17 may not dispense or administer a controlled substance [~~listed in~~
18 ~~Schedule II without a written prescription of a practitioner on an~~
19 ~~official prescription form or~~] without an electronic prescription
20 that meets the requirements of and is completed by the practitioner
21 in accordance with Section 481.075.

22 (b-1) In an emergency as defined by board rule, a person may
23 dispense or administer a controlled substance [~~listed in Schedule~~
24 ~~II~~] on the oral or telephonically communicated prescription of a
25 practitioner. The person who administers or dispenses the
26 substance shall:

27 (1) if the person is a prescribing practitioner or a

1 pharmacist, promptly comply with Subsection (c); or

2 (2) if the person is not a prescribing practitioner or
3 a pharmacist, promptly write the oral or telephonically
4 communicated prescription and include in the written record of the
5 prescription the name, address, and Federal Drug Enforcement
6 Administration number issued for prescribing a controlled
7 substance in this state of the prescribing practitioner, all
8 information required to be provided by a practitioner under Section
9 481.075(e)(1), and all information required to be provided by a
10 dispensing pharmacist under Section 481.075(e)(2).

11 (b-2) In an emergency described by Subsection (b-1), an
12 agent designated in writing by a practitioner defined by Section
13 481.002(39)(A) may communicate a prescription by telephone. A
14 practitioner who designates a different agent shall designate that
15 agent in writing and maintain the designation in the same manner in
16 which the practitioner initially designated an agent under this
17 subsection. On the request of a pharmacist, a practitioner shall
18 furnish a copy of the written designation. This subsection does not
19 relieve a practitioner or the practitioner's designated agent from
20 the requirement of Subchapter A, Chapter 562, Occupations Code. A
21 practitioner is personally responsible for the actions of the
22 designated agent in communicating a prescription to a pharmacist.

23 (c) Not later than the seventh day after the date a
24 prescribing practitioner authorizes an emergency oral or
25 telephonically communicated prescription, the prescribing
26 practitioner shall cause an [~~a written or~~] electronic prescription,
27 completed in the manner required by Section 481.075, to be

1 delivered to the dispensing pharmacist at the pharmacy where the
2 prescription was dispensed. ~~[A written prescription may be
3 delivered in person or by mail. The envelope of a prescription
4 delivered by mail must be postmarked not later than the seventh day
5 after the date the prescription was authorized. On receipt of a
6 written prescription, the dispensing pharmacy shall file the
7 transcription of the telephonically communicated prescription and
8 the pharmacy copy and shall send information to the board as
9 required by Section 481.075.]~~ On receipt of the [an] electronic
10 prescription, the pharmacist shall annotate the electronic
11 prescription record with the original authorization and date of the
12 emergency oral or telephonically communicated prescription.

13 (e) The partial filling of a prescription for a controlled
14 substance listed in Schedule II is permissible in accordance with
15 applicable federal law~~[, if the pharmacist is unable to supply the
16 full quantity called for in a written or electronic prescription or
17 emergency oral prescription and the pharmacist makes a notation of
18 the quantity supplied on the face of the written prescription, on
19 the written record of the emergency oral prescription, or in the
20 electronic prescription record. The remaining portion of the
21 prescription may be filled within 72 hours of the first partial
22 filling; however, if the remaining portion is not or cannot be
23 filled within the 72-hour period, the pharmacist shall so notify
24 the prescribing individual practitioner. No further quantity may
25 be supplied beyond 72 hours without a new prescription].~~

26 (f) A prescription for a Schedule II controlled substance
27 for a patient in a long-term care facility (LTCF) or for a patient

1 with a medical diagnosis documenting a terminal illness may be
2 filled in partial quantities to include individual dosage units.
3 If there is any question about whether a patient may be classified
4 as having a terminal illness, the pharmacist must contact the
5 practitioner before partially filling the prescription. Both the
6 pharmacist and the practitioner have a corresponding
7 responsibility to assure that the controlled substance is for a
8 terminally ill patient. The pharmacist must record the
9 prescription [~~on an official prescription form or~~] in the
10 electronic prescription record and must indicate [~~on the official~~
11 ~~prescription form or~~] in the electronic prescription record whether
12 the patient is "terminally ill" or an "LTCF patient." A
13 prescription that is partially filled and does not contain the
14 notation "terminally ill" or "LTCF patient" is considered to have
15 been filled in violation of this chapter. For each partial filling,
16 the dispensing pharmacist shall record [~~on the back of the official~~
17 ~~prescription form or~~] in the electronic prescription record the
18 date of the partial filling, the quantity dispensed, the remaining
19 quantity authorized to be dispensed, and the identification of the
20 dispensing pharmacist. Before any subsequent partial filling, the
21 pharmacist must determine that the additional partial filling is
22 necessary. The total quantity of Schedule II controlled substances
23 dispensed in all partial fillings may not exceed the total quantity
24 prescribed. Schedule II prescriptions for patients in a long-term
25 care facility or patients with a medical diagnosis documenting a
26 terminal illness are valid for a period not to exceed 60 days
27 following the issue date unless sooner terminated by discontinuance

1 of the medication.

2 (g) A person may not dispense a controlled substance in
3 Schedule III or IV that is a prescription drug under the Federal
4 Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.) without
5 a [~~written, electronic, oral, or telephonically communicated~~]
6 prescription of a practitioner defined by Section 481.002(39)(A) or
7 (D), except that the practitioner may dispense the substance
8 directly to an ultimate user. A prescription for a controlled
9 substance listed in Schedule III or IV may not be filled or refilled
10 later than six months after the date on which the prescription is
11 issued and may not be refilled more than five times, unless the
12 prescription is renewed by the practitioner. A prescription under
13 this subsection must comply with other applicable state and federal
14 laws.

15 (h) A pharmacist may dispense a controlled substance listed
16 in Schedule III, IV, or V under a [~~written, electronic, oral, or~~
17 ~~telephonically communicated~~] prescription issued by a practitioner
18 defined by Section 481.002(39)(C) [~~and~~] only if the pharmacist
19 determines that the prescription was issued for a valid medical
20 purpose and in the course of professional practice. A prescription
21 described by [~~issued under~~] this subsection may not be filled or
22 refilled later than six months after the date the prescription is
23 issued and may not be refilled more than five times, unless the
24 prescription is renewed by the practitioner.

25 (k) A prescription for a controlled substance must show:

26 (1) the quantity of the substance prescribed:

27 (A) [~~numerically, followed by the number written~~

1 ~~as a word, if the prescription is written,~~

2 [~~(B)~~] numerically, if the prescription is
3 electronic; or

4 (B) [~~(C)~~] if the prescription is communicated
5 orally or telephonically, as transcribed by the receiving
6 pharmacist;

7 (2) the date of issue;

8 (2-a) if the prescription is issued for a Schedule II
9 controlled substance to be filled at a later date under Subsection
10 (d-1), the earliest date on which a pharmacy may fill the
11 prescription;

12 (3) the name, address, and date of birth or age of the
13 patient or, if the controlled substance is prescribed for an
14 animal, the species of the animal and the name and address of its
15 owner;

16 (4) the name and strength of the controlled substance
17 prescribed;

18 (5) the directions for use of the controlled
19 substance;

20 (6) the intended use of the substance prescribed
21 unless the practitioner determines the furnishing of this
22 information is not in the best interest of the patient; and

23 (7) the name, address, Federal Drug Enforcement
24 Administration number, and telephone number of the practitioner at
25 the practitioner's usual place of business [~~, which must be legibly
26 printed or stamped on a written prescription, and~~

27 [~~(8) if the prescription is handwritten, the signature~~

1 ~~of the prescribing practitioner].~~

2 (q) Each dispensing pharmacist shall send all required
3 information[~~, including any information required to complete the~~
4 ~~Schedule III through V prescription forms,~~] to the board by
5 electronic transfer or another form approved by the board not later
6 than the next business day after the date the prescription is
7 completely filled.

8 SECTION 5. The heading to Section 481.075, Health and
9 Safety Code, is amended to read as follows:

10 Sec. 481.075. SCHEDULE II PRESCRIPTIONS [~~OFFICIAL~~
11 ~~PRESCRIPTION PROGRAM~~].

12 SECTION 6. Sections 481.075(a), (e), (g), (h), (i), and
13 (j), Health and Safety Code, are amended to read as follows:

14 (a) A practitioner who prescribes a controlled substance
15 listed in Schedule II shall, except as provided by Section
16 481.074(b-1) or 481.0755 or a rule adopted under Section 481.0761,
17 record the prescription [~~on an official prescription form or~~] in an
18 electronic prescription that includes the information required by
19 this section.

20 (e) Each [~~official prescription form or electronic~~]
21 prescription used to prescribe a Schedule II controlled substance

3 required to be provided by the prescribing practitioner under
4 Subsection (e)(1), unless the practitioner determines that:

5 (A) under rule adopted by the board for this
6 purpose, it is unnecessary for the practitioner or the
7 practitioner's agent to provide the patient identification number;
8 or

9 (B) it is not in the best interest of the patient
10 for the practitioner or practitioner's agent to provide information
11 regarding the intended use of the controlled substance or the
12 diagnosis for which it is prescribed; and

13 (2) [~~sign the official prescription form and give the~~
14 ~~form to the person authorized to receive the prescription or, in the~~
15 ~~case of an electronic prescription,~~] electronically sign or
16 validate the electronic prescription as authorized by federal law

18 (h) In the case of an emergency oral or telephonically
19 communicated prescription described by [~~prescribed under~~] Section
20 [481.074\(b-1\)](#) [~~481.074(b)~~], the prescribing practitioner shall give

26 given orally to the dispensing pharmacy under Subsection (h) and
27 the date the prescription is filled[~~7~~] and[~~+~~

24 follows:

25 Sec. 481.0755. WRITTEN, ORAL, AND TELEPHONICALLY
26 COMMUNICATED PRESCRIPTIONS. (a) Notwithstanding Sections 481.074
27 and 481.075, a prescription for a controlled substance is not

1 required to be issued electronically and may be issued in writing if
2 the prescription is issued:

3 (1) by a veterinarian;

4 (2) in circumstances in which electronic prescribing
5 is not available due to temporary technological or electronic
6 failure, as prescribed by board rule;

7 (3) by a practitioner to be dispensed by a pharmacy
8 located outside this state, as prescribed by board rule;

9 (4) when the prescriber and dispenser are in the same
10 location or under the same license;

12 not supported by the most recently implemented national data

15 Drug Administration requires additional information in the
16 prescription that is not possible with electronic prescribing;

17 (7) for a non-patient-specific prescription pursuant
18 to a standing order, approved protocol for drug therapy,
19 collaborative drug management, or comprehensive medication

21 circumstances in which the practitioner may issue a
22 non-patient-specific prescription;

23 (8) for a drug under a research protocol;

24 (9) by a practitioner who has received a waiver under
25 Section 481.0756 from the requirement to use electronic
26 prescribing;

27 (10) under circumstances in which the practitioner has

1 the present ability to submit an electronic prescription but
2 reasonably determines that it would be impractical for the patient
3 to obtain the drugs prescribed under the electronic prescription in
4 a timely manner and that a delay would adversely impact the
5 patient's medical condition; or

6 (11) before January 1, 2021.

7 (b) A dispensing pharmacist who receives a controlled
8 substance prescription in a manner other than electronically is not
9 required to verify that the prescription is exempt from the
10 requirement that it be submitted electronically. The pharmacist
11 may dispense a controlled substance pursuant to an otherwise valid
12 written, oral, or telephonically communicated prescription
13 consistent with the requirements of this subchapter.

14 (c) Except in an emergency, a practitioner must use a
15 written prescription to submit a prescription described by
16 Subsection (a). In an emergency, the practitioner may submit an

4 prescription form.

5 (g) On request of a practitioner, the board shall issue
6 official prescription forms to the practitioner for a fee covering
7 the actual cost of printing, processing, and mailing the forms.
8 Before mailing or otherwise delivering prescription forms to a
9 practitioner, the board shall print on each form the number of the
10 form and any other information the board determines is necessary.

11 (h) Each official prescription form must be sequentially
12 numbered.

13 (i) A person may not obtain an official prescription form
14 unless the person is a practitioner as defined by Section
15 481.002(39)(A) or an institutional practitioner.

16 (j) Not more than one Schedule II prescription may be
17 recorded on an official prescription form.

18 (k) Not later than the 30th day after the date a

21 surrendered, or revoked, the practitioner shall return to the board
22 all official prescription forms in the practitioner's possession
23 that have not been used for prescriptions.

27 (2) shall date or sign an official prescription form

1 only on the date the prescription is issued; and

3 ensure that an official prescription form issued to the
4 practitioner is not used by another person to violate this
5 subchapter or a rule adopted under this subchapter.

6 (m) In the case of an emergency oral or telephonically
7 communicated prescription described by Section 481.074(b-1), the
8 prescribing practitioner shall give the dispensing pharmacy the
9 information needed to complete the official prescription form if
10 the pharmacy is not required to use the electronic prescription
11 record.

12 (n) Each dispensing pharmacist receiving an oral or
13 telephonically communicated prescription under Subsection (m)
14 shall:

15 (1) fill in on the official prescription form each
16 item of information given orally to the dispensing pharmacy under
17 Subsection (m) and the date the prescription is filled and fill in
18 the dispensing pharmacist's signature;

20 least two years:

21 (A) the official prescription form; and

22 (B) the name or other patient identification
23 required by Section 481.074(m) or (n); and

24 (3) send all required information, including any

3 The appropriate regulatory agency that issued the license,
4 certification, or registration to a prescriber is authorized to
5 grant a prescriber a waiver from the electronic prescribing
6 requirement under the provisions of this section.

7 (b) The board shall convene an interagency workgroup that
8 includes representatives of each regulatory agency that issues a
9 license, certification, or registration to a prescriber.

10 (c) The work group described by Subsection (b) shall
11 establish recommendations and standards for circumstances in which
12 a waiver from the electronic prescribing requirement is appropriate
13 and a process under which a prescriber may request and receive a
14 waiver.

15 (d) The board shall adopt rules establishing the
16 eligibility for a waiver, including:

17 (1) economic hardship;

18 (2) technological limitations not reasonably within
19 the control of the prescriber; or

20 (3) other exceptional circumstances demonstrated by
21 the prescriber.

22 (e) Each regulatory agency that issues a license,
23 certification, or registration to a prescriber shall adopt rules
24 for the granting of waivers consistent with the board rules adopted
25 under Subsection (d).

26 (f) A waiver may be issued to a prescriber for a period of
27 one year. On expiration of the waiver, the prescriber may reapply

1 for a waiver if the circumstances that necessitated the waiver
2 continue.

3 SECTION 8. Sections 481.0761(c) and (d), Health and Safety
4 Code, are amended to read as follows:

5 (c) The board by rule may:

6 (1) ~~[permit more than one prescription to be~~

16 time or manner of reporting;

17 (4) establish compatibility protocols for electronic
18 data transfer hardware, software, or format, including any
19 necessary modifications for participation in a database described
20 by Section 481.076(j);

21 (5) establish a procedure to control the release of
22 information under Sections 481.074, 481.075, and 481.076; and

23 (6) establish a minimum level of prescription activity
24 below which a reporting activity may be modified or deleted.

25 (d) The board by rule shall authorize a practitioner to
26 determine whether it is necessary to obtain a particular patient
27 identification number and to provide that number ~~[on the official~~

1 ~~prescription form or]~~ in the electronic prescription record.

2 SECTION 9. Subchapter C, Chapter 481, Health and Safety
3 Code, is amended by adding Sections 481.07635 and 481.07636 to read
4 as follows:

10 hours of professional education related to approved procedures of
11 prescribing and monitoring controlled substances.

12 (b) A person authorized to receive information may annually
